Slide Down a Snowy Slope at Chesapeake Snow Tubing at the Brick

Go extreme this winter, when you go **Chesapeake Snow Tubing at the Brick**, the southwest's largest manmade snow tubing slope. Feel the wind in your face as you tube down the hill at thrilling speeds. Presented by Chesapeake Energy, you can't beat the great family fun of snow tubing at the AT&T Bricktown Ballpark.

"Over the field we go" will have new meaning as riders slide from the ballpark's upper deck all the way to second base on a hill of manmade snow. Your snow tube and the snow are provided, even in sunny weather. You can even race your friends. If that sounds too scary, a second, smaller and shorter slide will have children and the less adventurous "dashing through the snow".

Chesapeake Snow Tubing at the Brick is open Friday, Saturday & Sunday, November 27 – December 13 and seven-days-a-week, December 18 - January 3. Hours of operation vary; Admission is \$10.00 for each one and a half-hour session. Session size is limited. Private parties are available by calling (405) 218-1000. Please visit www.DowntownInDecember.com for session times, holiday hours and to purchase advance tickets online.

No winter day would be complete without hot chocolate, apple cider and warm, delicious sandwiches and desserts. Concessions will be open for those who have come to play or just sit back and watch during regular tubing hours. The AT&T Bricktown Ballpark is a holiday stop on the free Oklahoma Spirit Trolley route.

Chesapeake Energy and the Oklahoma City RedHawks are proud to be a part of Downtown in December, Downtown Oklahoma City's winter celebration. Most Downtown in December activities run from the day after Thanksgiving, November 27 through the New Year. Downtown in December is a gift from the Downtown OKC Business Improvement District and is produced by Downtown OKC Inc. Log on to www.DowntownInDecember.com or call the Downtown in December hotline, (405) 236-3640 or 1-888-OKC4Fun for a complete schedule of activities.
